Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- OK to Prep at Delano Recreation 12/13/2012.
- OK to film within Delano recreation 12/14/2012.
- OK to place video village inside of the gymnasium. The Production Company must place cardboard on the floor in order to protect the gym's floor.
- OK to relocate benches and bleacher, etc, as required for picture. The equipment can be stored at the direction of the Facility Director. At the conclusion of filming, all equipment must be replaced to their original location.
- OK to attach signage to the building with 6 small crews into the mortar. The area must be patched to original or better condition at the conclusion of filming.
- OK to cover existing signage. The covers are to be removed at the conclusion of filming.
- OK to park Police Cars in the parking lot for filming.
- OK to 'Hold" extras inside of the large Community Room if needed.
- Ok to Basecamp within the parking lot. All vehicles must be legally parked.
- Production Company cannot use any Handicapped Parking Spaces unless the person has a Placard.
- OK to park work truck on the cement pad in front of the gymnasium. Care must be used to not endanger the public and the public must be able to safely access the facility.
- OK to film within the gym if there is rain. Cardboard must be used to protect the gym floor at all times.
- Any and all filming and activities on the sports fields is pending Maintenance Approval. Production Company is not allowed on the field until Maintenance has given their approval.
- Filming Company does not have exclusive use of the facility. They must work/film around the public.
- OK to have the lights turned off on the sports fields for the night.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.

NOT A PERMIT

- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
